Notes And Observations:

1. This standard confirmation request should be modified if the auditor believes that the customer pays by invoice, rather than by statement and it is therefore more effective and appropriate to confirm open invoices. The following alternative confirmation request is an illustration of how the standard confirmation request might be modified to confirm open invoices.

Example 2:

(Date)
(Customer’s name and address)

Dear:

In connection with an audit of the financial statements of (insert name of client) as of December 31, 200X and for the year then ended, please confirm directly to our auditors (insert name and address of auditors) the amounts on the invoices listed below (or in the attached statement) as shown by our records that you were indebted to us as of December 31, 200X. Please take notice that the invoices that our auditors have selected for confirmation purposes may represent only a portion of the total balance due from you.

Signature: ________________________________________________________________
Title: ________________________________________________________________
Date: ________________________________________________________________

2. If the auditor believes that an itemized customer statement of the balance due would assist the customer in reconciling the amount due as of the confirmation date, the auditor should include the following sentence after the first sentence of the confirmation request:

“Enclosed is an itemized statement of the balance due that is being furnished to assist you in reconciling the amount shown in your records with the amount shown per our records.”
